

Beste,

Mevrouw **Diana Gayanovich** kwam langs bij Orange Shop met de melding dat er hack zou zijn waardoor ze toegang zou hebben tot ROOT access black screens op al haar toestellen. Smartphones, tablet etc. Ons zegt dit heel weinig en laat staan dat we hier een oplossing voor kunnen bieden buiten voor te stellen om een fabrieksreset te doen wat niet zou helpen.

Ze toont ons applicaties op haar toestel dat ze er zelf niet zou opgezet hebben zoals X-plore Shell executor en deze zou ze er zelf niet opgezet hebben en applicaties die ze niet kent die 1221 toestemmingen laten zien als ze deze opent.

Vanuit de Orange shop wij konden enkel haar standaard instellingen nakijken omdat ze niet op internet kon maar de issue die ze aankaart over Root access en hacking daar kunnen wij in de shop heel weinig aan doen.

We verwezen haar door naar de klantendienst maar daar namen ze haar naar haar zeggen niet serieus.

Deze issue is eerder voor een informatica specialist dan voor een Orange shop om op te lossen.

There is no one can stand between me and my children. You have made a mistake, that I promise you the price you will have to pay will be more than you more than you

1st time you send me in a year and instant threatening me? For what? Talking care of ethan when you where denied even speaking to him witch till counts till this day? You should be happy you have me,cause your actions your children in danger to be taken away,are you kidding me?

1 21:41

Ik breng je op de hoogte dat we geen contact kunnen maken met Diana.

21:43, 19 Dec

Ik breng je op de hoogte dat we geen contact kunnen maken met Diana. Dat maakt dat er geen samenwerking mogelijk is. Wij zullen het parket hiervan inlichten. Deze kan op zijn beurt de jeugdrechter vorderen.

Alle afspraken gelden in tussentijd, dus Ethan blijft bij jou. Als er toch iets zou veranderen dan mag je mij nog steeds op de hoogte brengen tot dat er een andere consulent is aangewezen.
